VERTICAL MANUAL SAUSAGE FILLERS

Made in Italy

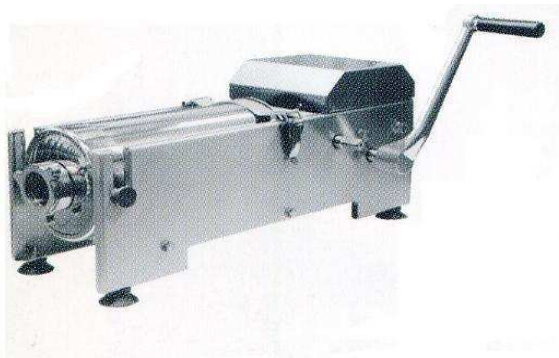

CE

Umbra Macchine vertical manual sausage fillers are ruggedly constructed from top quality materials. Counter top design. They are easy to clean and use. Suitable for stuffing any type of sausage. Available in two sizes, 7 and 14 liters. AISI 304 (18/8) stainless steel cylinder, food-grade aluminium piston with special gasket, steel rack, precision made steel gears, and precisely machined moving parts ensure smooth operation, maximum efficiency, and a long life. Two speed gears for fastest production rate. All models are supplied with three interchangeable stuffing funnels.

Our machines conform to CE hygiene and regulation standards.

HORIZONTAL MANUAL SAUSAGE FILLERS

Made in Italy

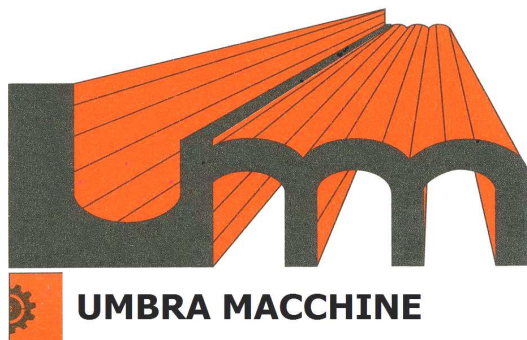

CE

Umbra Machine horizontal manual sausage fillers are ruggedly constructed from top quality materials. Counter top design. They are easy to clean and use. Suitable for stuffing any type of sausage.
